

For half a century, the General Douglas MacArthur Foundation has commemorated the general's extraordinary life and achievements. As the Memorial now expands its mission of education and enlightenment, the public is invited to play a lasting and vital role in its construction through the purchase of memorial bricks.

For the first time, those with an appreciation of General Douglas MacArthur's life and principles can contribute a part of our new place of remembrance and commemoration, the Heritage Walk, next to the new Visitor Center.

A Lasting Tribute

Through the purchase of an engraved memorial or commemorative brick, your name, that of a friend or loved one, your unit, business or organization can take its place among the other honored names enshrined here, becoming a part of our collective history, visible to all who visit the MacArthur Memorial.

The purchase of a memorial brick will also help the MacArthur Foundation achieve its important mission to perpetuate the memory and legacy of General MacArthur for many years to come.

For a fully tax-deductable donation of \$250 or \$500, your name, that of a friend or loved one, or that of your business or organization and the message of your choice can appear, permanently etched for posterity, within this prominent new place of honor and remembrance.
